

Airport Guide

TO ALMERIA AIRPORT

Almeria airport is located to the east of the Costa Tropical and is approximate a 1 hour 15 minute drive to the coastal towns of Salobrena and Motril. It is a small airport and it can therefore be quicker to pick up rental cars and luggage, etc. On the return journey, the check-in area is usually uncrowded. Once through passport control, there is a cafe and small duty-free shop.

TO GRANADA AIRPORT

Granada airport is located to the north of the Costa Tropical and is approximate a 50 minute drive to the coastal towns of Salobrena and Motril. It is a small airport and it can therefore be quicker to get through passport control and the baggage pickup. However, depending on who you book your rental car with you may have to take a mini bus a short distance to the car rental offices approximately 2 kms from the airport terminal. On the return journey, the check-in area is usually uncrowded. Once through passport control, there is no cafe or duty-free shop.
